Preface

The purpose of the New Cadet Handbook is to provide information necessary for the transition from civilian life to life as a new cadet at Virginia Military Institute. It is intended to present information not found in other VMI publications, such as the VMI Catalog, which is provided to cadets at matriculation. If you have detailed questions on academic programs and academic support, tuition and financial aid, or the Reserve Officer Training Corps (ROTC), please refer to the VMI Catalog. If you have questions regarding National Collegiate Athletic Association

(NCAA) sports, contact the Director of Intercollegiate Athletics at 540-464-7251. Information is also available at **www.vmi.edu**.

The three major components to life at VMI are academics, military, and athletics. This handbook focuses on the Corps of Cadets military component and, specifically, the Rat Line. It is important that you fully understand all aspects of the Corps of Cadets so that you can prepare yourself for success. New cadets at VMI embark on a road less traveled. Use this handbook to plan your journey. Good luck!

Rat Mass of 25+3.

Congratulations on your acceptance to the Virginia Military Institute. The decision to attend VMI for what are some of the most influential years of your lives is not something to be taken lightly. It is a testament to your values and character, and you should take immense pride in the fact that you are separating yourself from your peers across the nation.

Understand that the second that you matriculate, you will be challenged mentally, physically, and emotionally. The transformation that you will go through will be the hardest thing that you have experienced thus far, but it will by far be the most rewarding. You will push past any preconceived limitations that you may have set on yourself. Although you will be transformed as an individual, know that it is not about you. You are now a member of a team, and you must rely on your brother rats to overcome the adversity and hardship that you will inevitably face. Relying on your brother rats, as well as being there for them will forge relationships that will last a lifetime.

The first time that you step into barracks with your brother rats, you are a blank slate. It does not matter where you came from or what you have done before. What matters is what you do while you are here. You will be judged solely on the effort that you put forth and the actions that you take. The training you will undergo does not discriminate. VMI will present you with the tools to succeed, but the onus of success is on you. Only you can define what it looks like.

You will face pressure and expectations that may feel unbearable. However, trust in the fact that for 185 years, cadets have gone through what you are going through and know that if it were easy, everyone would do it. The hardships that VMI offers is what makes this place unique; it is what gives meaning to our diploma and meaning to the title of VMI Cadet.

If you embrace what VMI offers, not only will you succeed in the short time that you are here, but you will succeed in life. You will enter a brotherhood that is unmatched by any other institution. A brotherhood that will follow you for the rest of your life. You will take pride in the fact that nothing was given to you, it was earned. You will learn to seek out challenges and face them head-on. You will set yourself apart as someone who goes against the grain.

Before you arrive, deeply consider why you are choosing this path. When you are faced with the hardships that VMI presents, remembering why is what will get you through them. Your "why" is what will push you to be the best for not only yourself, but for others.

Signed,
Cadet First Captain Brian Pritchard '25
Regimental Commander

VMI—An Overview

The Mission of Virginia Military Institute

Virginia Military Institute, founded in 1839 and now in its 185th year, has remained true to its mission to produce educated and honorable men and women by preparing them with an education for the future. VMI combines the studies of a full college curriculum within a framework of military discipline, with emphasis placed on the qualities of honor, integrity, and responsibility. VMI is a state-supported college, organized under the laws of the Commonwealth of Virginia. The Institute is governed by a Board of Visitors appointed by the governor. In accordance with the provisions of the Code of Virginia, the cadets constitute a military corps. Most of the members of the faculty and staff are commissioned in the Virginia Militia (unorganized) by the governor, who acts as commander-in-chief.

The measure of a college lies in the quality and performance of its graduates and their contributions to society. Therefore, it is the mission of VMI to produce educated and honorable men and women, prepared for the varied work of civil life, imbued with love of learning, confident in the functions and attitudes of leadership, possessing a high sense of public service, advocates of the American democracy and free enterprise system, and ready as citizen-soldiers to defend their country in time of national peril.

To accomplish this result, VMI seeks to provide qualified young men and women an undergraduate education of the highest quality, that embraces engineering, science, and the arts, all conducted in, and facilitated by, the unique VMI system of military discipline.

Vision 2039

www.vmi.edu/vision2039

In 2003 VMI began a journey that will culminate in the year 2039, VMI's 200th birthday. This journey involves physical change in the form of renovation and new construction. It also involves cultural changes—a move toward more civility within the Corps of Cadets and across the VMI post.

Academic Program

A four-year undergraduate college, VMI is recognized as one of the nation's top institutions of higher education. Acknowledging VMI's total educational value as well as the high demand for VMI graduates in the job market, major ratings publications name VMI in their lists of top undergraduate programs. U.S. News and World Report consistently ranks VMI among the nation's top five public liberal arts colleges.

Almost 100% of full-time faculty hold either a doctorate or the terminal degree in their field. Nearly 1,600 cadets pursue B.A. or B.S. degrees in 14 major fields of study: Biology; Chemistry; Civil Engineering; Computer and Information Sciences; Economics and Business; Electrical and Computer Engineering; English, Rhetoric and Humanistic Studies; History; International Studies and Political Science; Applied Mathematics; Mechanical Engineering; Modern Languages and Cultures; Physics; and Psychology.

Civil engineering, a subject rarely taught in colleges and universities before 1839, was the cornerstone program at VMI's founding. The first industrial chemistry course in the South was offered at VMI, and in 1868, modern courses in physics and meteorology were developed. Today the

Institute's engineering program remains nationally recognized. In fact, in recent rankings, U.S. News & World Report rated VMI engineering among the nation's best undergraduate programs.

VMI's demanding academic program reflects the established needs and the emerging trends of a constantly changing society on the local, regional, national, and international levels. VMI's global outreach includes student/faculty exchanges with a number of foreign academies and universities, internships, numerous semester-abroad programs, and summer-abroad programs. More than 100 cadets are involved in VMI's international programs annually. VMI also offers outstanding academic enrichment programs in writing, undergraduate research, and honors.

Successful completion of VMI's unique educational system enables cadets to enter many civilian professions, the armed forces, or to continue at graduate and professional schools. VMI produces leaders for all walks of life: business, industry, public service, education, and the military. One reason the Institute is held in such high regard is that approximately 98% of each class has full-time employment or has entered graduate school within five months of graduation. Between 50-60% of graduates commission, and about 18% of VMI graduates make the armed forces a career.

Athletic Program—NCAA and Club Sports

VMI believes that all cadets are athletes and all athletes are cadets. Athletics at VMI form an integral part of the mission to develop the whole person. VMI's proud intercollegiate athletic history dates back to 1866 with the formation of a baseball team. In 1892, Walter H. Taylor, Class of 1857, served as captain and coach of the first football team.

VMI fields 18 teams on the NCAA Division I level: baseball, basketball, men's and women's cross-country, football, lacrosse, men's and women's rifle, men's and women's soccer, men's and women's swimming and diving, men's and women's indoor track & field, men's and women's outdoor track & field, women's water polo and wrestling.

VMI also boasts a thriving club sports program. While the sports vary from year to year based on the interests of the cadets, the standard sports include boxing, lacrosse, rugby, ice hockey, basketball, running, trap and skeet, triathlon, powerlifting, equestrian, and wrestling. New cadets may join a club sport in full member status after the Rat Line ends.

VMI Corps of Cadets

The challenging military-based portion of the VMI program is a distinctive aspect of the VMI experience. All cadets are part of the Corps of Cadets and participate in officer training programs associated with one of the three ROTC units on post: Army, Naval (which includes the Marine Corps), and Air Force (which includes the Space Force). New cadets are called "rats" until they break out of the Rat Line in the spring semester and earn their cadet status.

Cadets live together in barracks, eat together in Crozet Hall, and wear the cadet uniforms daily. Cadets' lives and conduct are regulated by the traditions and rules of the Institute and the Honor Code.

Pre-Matriculation

Packing

Each cadet is allowed one piece of luggage. Bringing a trunk to VMI with wheels is highly encouraged. It should be no bigger than 22 inches wide by 24 inches long (up to 30 inches will hang off a little) by 16 inches high. The dimensions of a large suitcase are between 28 and 32 inches long and approximately 19 inches wide and when stacked no taller than 16 inches deep. Smaller luggage pieces/stored belongings must fit inside the large piece of luggage because there is limited space in the trunk rooms located in the concourse area of the barracks. It is recommended that luggage be lockable. Sensitive and expensive items should not be stored in the barracks trunk room. VMI is not responsible for damage, loss, or theft of personal property stored in the barracks trunk room, barracks cadet rooms, or other areas on post. It

is recommended that personal items be labeled with the cadet's name. If you are driving to VMI, consider bringing some of your items in a cardboard box that can be recycled or a plastic bin that can go back home after you are dropped off at VMI.

Use the following list to pack for VMI. Most items should be brought from home, but some items may be purchased at the VMI Bookstore (540-464-7637 or www.bkstr.com/vmistore). The bookstore accepts all major credit cards. The number of clothing items recommended is the minimum based on having to change clothes two or three times a day during the August heat. Laundry is sent out once a week so plan accordingly.

New cadets may purchase shower shoes, shirt stays, mouth guards, and academic bags at the VMI Bookstore on Matriculation Day.

Boots

New cadets are required to arrive with one pair of properly fitting boots selected from the list of authorized boots below.

Boots may be purchased from a variety of sources, including online/brick & mortar retailers or the VMI Military Store, located in Richardson Hall and open Monday–Friday, 0730–1100 and 1200–1530. Call the Military Store for a fitting appointment at 540-464-7303. The Military Store sells Belleville C390 boots and offers a comprehensive fitting service. Cadets attending STP will be afforded the opportunity to utilize this service, if desired.

New cadets arriving with unauthorized boots, to include those with USMC markings or zippers, will be directed to the Military Store to purchase the correct style during Matriculation Week.

Sizing/Fit

Proper fit is critical to preventing injury and maximizing training time during Matriculation Week and beyond. Videos on proper fit and wear of combat boots can be found here: www.vmi.edu/whattobring.

Specific sizing recommendations:

- » Boots marked as unisex are listed in men's sizes
- » Belleville recommends men order unisex boots 1-1½ sizes smaller than their normal shoe size and women order unisex boots 3-3½ sizes smaller than their normal shoe size
- » Belleville recommends women order female-specific boots 2 sizes smaller than their normal shoe size
- » Women are not required to purchase female-specific boots
- » New cadets with shoe sizes that fall outside the range of the sizes listed below should contact the Military

Store for assistance, at 540-464-7303 or auxservices@vmi.edu.

To the Rat Mass of 2025+3,

You are about to enter the hardest military college in the United States. The journey you have signed up for will challenge you mentally, physically, and emotionally. You will push yourself harder than ever before, achieving goals that seem so far out of reach. We will not do it for you. You must have the drive, dedication, and devotion of your own volition to execute the tasks given to you. There is a reason for everything that you do at our school, even if you do not understand and think that it is insignificant, remember that there is a purpose behind it. You will live an honorable life at this school. It is not an option, it is a requirement, and if you fail to live by our simple honor code, your stay at the Virginia Military Institute will be cut short.

Remember that we are an academic institution, first and foremost. Many of you, like myself, saw VMI as appealing because you want to commission into the United States Armed Forces. To achieve that goal, you must first get your degree. It is easy to not do homework or not stay awake in your classes, but if you fall into that trap, the whole purpose of you being at this school vanishes. It does not matter if you are the fastest runner or can do the most pull-ups. What matters is if you can have the discipline to excel in your academics as well as in physical fitness. You must have a balance between the military and academic sides of the Institute to succeed.

The Ratline is the most memorable experience that you will have at this school. During this time, you will make friends that will last you a lifetime. Only through the support of your Brother rats will you succeed.

Embrace the shared suffering and keep your mind focused on the reason you chose to come to VMI. Remember all the great men and women who have walked through these sacred barracks. Our nation is in desperate need of honorable men and women to lead through these trying times as the very bedrock of the West is under attack, not only by our foreign enemies, but enemies from within. We must be men and women who live by high morals, those who can be both stern, but fair, those who can stand for what is right and not back down even when the masses shame you for it. Embrace this process as it will change you from immature high school boys and girls to VMI cadets. You will transform into men and women who pledge to live honorable lives, not only at VMI, but onward. Quitting is not an option as you march toward victory.

Signed,
Cadet Captain Justice J. Rozic '25
Regimental Executive Officer

Matriculation

Matriculation Overview

After you say goodbye to your family and form up with your company for the first time, you will march into barracks to meet your cadre. Fourteen upper class cadets from each company known as cadre are responsible for the training new cadets undergo to become VMI cadets. Collectively you are known as a rat mass and the Class of 2025 plus 3. You will not earn the status of 4th Class cadet, Class of 2028, until after Breakout.

Meeting your cadre will be the first in a long series of events designed to train and test you as you prepare for assuming the responsibilities of cadetship. During Matriculation Week, you will participate in numerous training activities, get your rat haircut, engage in daily physical fitness routines, learn about the history of VMI, and become familiar with the requirements of cadet life. You will also purchase textbooks, so ensure funds are available. Matriculation Week concludes with an event called the Rat Crucible.

Uniform Issue

Fitting and issuing of many uniform items is done during Matriculation Week. Identification of clothing is made by a laundry number assigned by the VMI Laundry Department. New cadets will bring permanent laundry markers and are given time to mark all washable items they bring with them.

The Rat Line and Life as a Rat

During the first several months at VMI, new cadets are called “rats,” the accepted term since the 1850s for a new cadet. You will be part of a tradition and encounter the challenges that VMI cadets who came before experienced—the Rat Line. The continuing purpose of the Rat Line is to teach self-discipline, precision, humility, obeying orders, self-awareness, and self-control. The Rat Line is conducted in phases of development, employing supporting virtues such as cohesion, humility, physical fitness, knowledge, and self-reliance, while teaching self-control, self-discipline, time-management, and followership as prerequisites for becoming a VMI cadet. Even those who matriculate with advanced academic standing or prior military service must go through the Rat Line. To achieve success, new cadets must depend on their mental and physical skills, and the help and support of classmates (brother rats). With persistence and determination, new cadets will get through the Rat Line. It is through the rigors of the Rat Line that the bonds of brother rat spirit are forged.

The Dyke System

A new cadet’s greatest ally during and after the Rat Line is his or her 1st Class mentor, known as a dyke. The phrase originated in the 19th-century mispronunciation of the term “to get decked out,” or to dress up in one’s finery, as it takes two cadets to “dyke out” (put on the white cross belts) for the dress uniform worn at parades. In exchange for certain tasks performed by the new cadet, the dyke offers good advice, moral support, and a haven on the first stoop (floor) of barracks. New cadets learn that the dyke, as a mentor, will not allow avoidance of duties, but will help them through the rat year. Normally,

the upper-class cadet initiates the contact with a new cadet for a possible dyke relationship. This contact may be based on common background, sports team, or shared hometown with the new cadet, or it may be facilitated by a member of the faculty, staff, or coach. New cadets are closely monitored to ensure they receive a dyke.

A Typical Rat’s Day

Initially, new cadets are awakened by their cadre. After classes begin, they learn to wake up in time to get properly dressed, roll up their “hay” (mattress) and complete chores in their dykes’ rooms before Breakfast Roll Call (BRC).

At BRC and all other formations, squad corporals (3rd Class cadets) inspect new cadets for personal appearance. They then march down to Crozet Hall for breakfast. After breakfast, classes begin at 0800. All cadets must be on time and prepared for class.

After Supper Roll Call (SRC) and the following dinner, cadets must be in an approved study area such as barracks, the library, or an academic building. The end of the duty day is signified by Taps (lights out) at 2230 Sunday–Thursday. Saturdays are filled with various activities including military duty and academic meetings. On Sunday mornings, cadets are offered the opportunity to attend services at one of the local churches. On Sunday evenings, VMI’s full-time chaplains hold a non-denominational service in Memorial Hall.

To the Rats of 2025+3,

Congratulations on your appointment to the Virginia Military Institute. I commend your decision to attend. It is not for everyone and represents the first of many challenges that you will undertake.

Of the many reasons for attending VMI, the one you share with us all is that you wanted a challenge. VMI is unique because it packs a lifetime of lessons into a four-year period, lessons that will mold you into the men and women of character that VMI strives to create. Character is a culmination of different virtues and traits that are displayed through everyday interactions. The most sacred, and meaningful one that VMI will develop in you is honor.

As cadets of the Virginia Military Institute, we live by a strict Honor Code which states: **a cadet will not lie, cheat, steal, nor tolerate those who do.** Our Honor Code is single sanction, meaning that one breach of this code will result in dismissal from the Institute. Our Honor Code does not observe degrees of honor violations. There is only one outcome for a violation of the Honor Code: dismissal. This simple code has been preserved in different forms from class to class, since the founding of the Institute in 1839. The Code is our most sacred possession as cadets. It is the foundation of our class, regimental, and academic systems. It is the one constant experience for all those who have attended and graduated from VMI, for current cadets, and alumni.

In only a few months you will sign the matriculation book and begin your VMI journey, at which point you will be just as responsible for upholding and living by this Code as any other member of the Corps. There will be times in your cadetship when the convenience of personal gain may tempt you to compromise your honor. In these moments, when no one is watching, you must choose the hard right over the easy wrong. The Honor System is the cornerstone of life at VMI. Without your commitment to the system, the Code becomes a simple saying, rather than the binding words of thousands that have graduated from VMI.

In the coming months as you begin your VMI journey, keep honor at the forefront of your mind. The day-to-day processes of VMI will change. Leaders will change, as will aspects of the institution. However, one thing will remain constant: the Honor Code. It was here long before you, and it will remain long after you are gone. It will be with you after graduation and will serve as your moral compass for the rest of your life. Pursue the ideal, take pride in our shared code, and remember: Honor is a lifestyle.

Respectfully,
Elijah G. Alberti '25
Honor Court President

Cadet Life

The VMI Honor System

On arrival at VMI, new cadets and parents will realize that it is indeed a unique place with a culture and a life all its own. The life of a VMI cadet is one of self-denial, self-control, and strict discipline. Nevertheless, as generations of cadets have discovered, it is possible not only to survive, but to thrive within these stone walls. Aiding and guiding cadets are several systems at the Institute that regulate and advocate for cadets.

The VMI educational system provides cadets with a constantly changing set of academic, military, physical, and psychological challenges. These diverse challenges are designed to provide each cadet with the opportunity to develop life skills that will contribute to his/her success regardless of endeavor. Paramount among those skills, and the common thread that ties all aspects of the VMI experience together, is honor. Above all else, cadets

are men and women of honor and integrity who can always be trusted. They live by the VMI Honor Code, which simply states that “A Cadet will not lie, cheat, steal, nor tolerate those who do.” The Code pervades all aspects of a cadet’s life. A cadet’s honor is his/her most guarded possession. The education of new cadets about the honor system is the responsibility of the Honor Court. The Honor Court is comprised of 14 1st and 2nd Class cadets elected by their classmates. In addition to education, the Honor Court is also responsible for adjudicating reported violations of the Honor Code. The VMI honor system is unique in that it is a single-sanction system. The system does not recognize degrees of honor. The sanction for any breach of honor is dismissal. So when new cadets sign the book on Matriculation Day, they are committing themselves to a life of honesty and integrity. If their commitment is not complete, their stay at the Institute may be short.

The Class System

At VMI, the class system is the peer-to-peer leadership structure, promoting a brother and sisterhood of cadets who progress through the VMI system together. Rights and privileges, as well as responsibilities, depend on class. There are four classes: rats (who eventually become 4th Class cadets [freshmen] after Breakout), 3rd Class cadets (sophomores), 2nd Class cadets (juniors) and 1st Class cadets (seniors). There are also some 5th year cadets who require additional time to complete their degree requirements, or remain for a 9th semester to participate in athletics resulting from a redshirt year or injury.

New cadets enjoy only one privilege: to strain. First class cadets, however, having completed three years at the Institute, enjoy many privileges, including the use of any arch to enter and exit barracks and operating a vehicle in Rockbridge County.

The class system is upheld by the General Committee, which is a board of cadets voted into office by each class and oversees the student government of VMI. Each class has a president, a vice president, and a historian, who are elected for life. The new 4th Class will elect its officers after spring furlough.

Regimental System

The regimental system administers the military component and structure of the Corps of Cadets promoting a sense of belonging, pride, and commitment. The regimental system should not be confused with ROTC. Consisting of three battalions composed of three companies each (nine line companies plus a Regimental Band), this system is, after the Honor Code, the most enduring aspect of VMI. The regimental structure of the Corps of Cadets parallels that of a regular infantry regiment. Cadets are grouped into squads

led by corporals (selected 3rd Class cadets); squads into platoons led by sergeants (selected 2nd Class cadets) and lieutenants (selected 1st Class cadets); platoons into companies commanded by 1st Class cadet captains; other cadet officers and noncommissioned officers make up the military structure of the Corps of Cadets. It is important to note that at VMI, rank is not given freely by class; each cadet with rank has applied and been selected for rank based on demonstrated performance and leadership potential.

Company Transfer Policy

The Commandant of Cadets has the authority to assign and transfer cadets to and from any company within the Corps of Cadets for the purpose of health, welfare, morale, safety, security, or any other reason deemed necessary by the Commandant.

Regimental Band and Pipes

The Regimental Band is organized as its own company, comprised of approximately 150 full-time members. The Regimental Band, along with the pipe band, performs at over 150 events annually and have appeared at the Rose Bowl Parade in Pasadena, the Pearl Harbor Commemoration in Hawaii, and at the New Orleans Mardi Gras Parade. They also perform at home and away athletic events. While representing VMI to the public, they are still required to participate in the duties and activities required of every VMI rat and cadet.

Club and Service Opportunities

www.vmi.edu/clubs

Opportunities for cadet engagement and volunteerism include the Cadet Equity Association, Promaji Club, International Club, VMI Theatre, and Building BRIDGES.

To my rats,

It is a privilege and an honor to be one of the first in my class to address you. There are a few things one looks forward to receiving in their cadetship, and they are: robes, rings, and rats.

Robes are a simple addition to a cadet's life, and you won't have to worry about handling that sort of luxury so early in your cadetship. The VMI ring is what binds a class together for the rest of time, and rats are how we leave our legacy. You will find very soon that you have entered into the very best line of dykes (or senior mentors if you haven't made it to the glossary yet) and it is with humility, love, and respect that we will cherish you, our rats, as our own family.

There are some pieces of wisdom I would like to impart upon you before your arrival here at the Institute. The first bit is to take a deep breath before doing anything. Cherish the soldier's minute, and use that time to breathe in deep before going to battle. Some of the things at VMI will come to you as a surprise, but if you keep a clear mind, everything will turn out okay.

For those moments you forget to breathe, your brother rats will remind you. It might seem basic, but when you are put into a stressful environment such as VMI, or any college for that matter, it is important to have a support system. Your support system will be in the hundreds because you have your brother rats and your dykes to lean on. The only way they will

ask you to pay them back is by letting them lean on you when times get rough for them.

Lastly, use this summer to create some memories with your friends and family back home. The first reason you should do this is so you can go to your happy place. When you are drilling in the heat of the summer, think of that big fish you caught, that vacation you went on, or whatever it may be. The second reason you should create some memories is because life will change once you get to VMI. You may not be able to see your family and friends frequently, and it is worth spending time with them before matriculation.

VMI is a stepping stone to the rest of your life. Your dykes' class, the Class of 2025, will not let you down. We will propel you into the rest of your cadetship and I know you will make us proud.

Again, it is an honor to be able to give you all some tips before the long-awaited matriculation day in the fall. Make the most of your summer, and when you get here, welcome to VMI.

Godspeed and Rah Virginia Mil.

Very Respectfully,
Cadet Noah Alexander Chapman
VMI '2-5
General Committee President

Cadet Government

VMI has several governing committees run by cadets under the supervision of the assistant commandant for cadet government. These committees handle the issues of the Corps and enforce regulations of the Institute.

The General Committee (GC) makes up the cadet leadership of the school. The GC upholds the standards and traditions of the Corps. It is the guardian of the class system through its enforcement of class privileges, and it is the officially recognized voice for cadets when interacting with the administration. The GC consists of the nine class officers and one elected 1st Class secretary.

The Officer of the Guard Association (OGA) maintains order and harmony within the Corps. This is the main organization through which the Corps polices its own, dealing with offenses from the most trivial to the most important. This organization, among other things, is

charged with enforcing VMI's anti-hazing policies. The mission of these cadets is to receive reports of incidents of misconduct within the Corps, to investigate these matters when appropriate, and to protect the privacy of the individuals involved insofar as it is possible. Additionally, the OGA is in charge of monitoring the rat/dyke system and is comprised of 1st Class privates.

The Cadet Equity Association (CEA) promotes the Superintendent's Statement on Equity at VMI, and monitors a post-wide climate of respect and equitable treatment for cadets. The mission of the CEA is to educate the Corps on VMI's Title IX policy. CEA cadets receive training in matters and procedures related to issues that may involve gender, racial, religious, sexual orientation, ethnic discrimination, and otherwise qualified persons with disabilities.

Physical Fitness

Cadets have to take the fitness test every semester. It is gender-normed and consists of push-ups, sit-ups, and a run. It is highly encouraged that rats begin to get themselves into shape as soon as possible. VMI is notorious for ample stairs and never-ending hills. This is particularly important to keep in mind while preparing for the Rat Line. Following is a basic workout outline. Make sure to modify it to your ability.

- » Day 1: 1 mile run at a fast pace/3 sets of 15 body weight squats/3 sets of lunges 10 each leg/4 sets of 30-second flutter kicks then 25 crunches then 30-second plank.
- » Day 2: max set of push-ups/3 sets (1 min between sets). Diamond push-ups till exhaustion wait 30 seconds. Regular grip push-ups till exhaustion wait 30 seconds. Wide grip push-ups till exhaustion.
- » Day 3: 3 mile run/4 sets of pull ups till exhaustion.
- » Day 4: rest/stretch.
- » (Repeat)

Cadets are also required to take seven semesters of human performance and wellness classes. They are also involved with several programs that encourage physical fitness. Physical Training Time (PTT) is administered by the respective ROTC departments. These sessions are mandatory. PTT is conducted twice each week and consists of a variety of physical training activities. Additionally, rats will engage in NCAA sports or Rat Challenge. This is where they will learn teamwork and leadership principles while doing many physical tasks such as runs, rope climbs, obstacle courses, rappelling, and swims. In the spring, New Cadet Military Training (NCMT) teaches basic military skills, marksmanship, first aid, and land navigation.

Privileges and Leaves

Privileges and leave are based on General Committee (GC) class and are tempered by a cadet's academic performance and/or conduct record. A cadet's GC class is the class with which he/she matriculated unless the cadet has left and returned to VMI. Only 1st Class cadets with full class privileges are authorized to register, maintain, and operate a motor vehicle in Rockbridge County. New cadets are authorized two weekends leave after Breakout if they have full class privileges. Emergency leave of 72 hours may be granted because of serious illness, death, or other emergency in a cadet's immediate family. The emergency leave must be approved by the commandant's office or officer-in-charge and recommended by the chaplain. A time limit of 72 hours is stipulated for this furlough, but may be extended with the commandant's approval. Special leave is granted by permit. A cadet must have full class privileges and a cumulative 2.0 GPA to take advantage of special leave. Cadets may submit a permit to attend religious conferences, retreats, or encounter weekends off post. Religious permits may be submitted through the chaplain to the commandant and will require use of a weekend, unless the event is Institute sponsored or approved. A cadet may be placed on medical leave if he/she has a medical condition requiring an absence from duties at VMI. Medical permits are submitted through the Institute physician to the commandant. Other permits must be submitted by the cadet. Parents should not be involved in the permit process.

Expectations for Cadet Conduct

General

Cadets are expected to conduct themselves as men and women of character at all times. Exemplary conduct both at and away from the Institute reflects credit on the cadet, the Corps, and the Institute. A cadet is always considered to be of good conduct and honorable under all circumstances, unless proven otherwise by the cadet's own actions.

Conduct unbecoming of a cadet is any behavior which compromises, or can reasonably be expected to compromise, the character of the cadet, or the name and reputation of the Institute. Actions which constitute improper conduct are described in the Blue Book (regulation on standards and behavior) or established as such by the traditions of the Institute. Unacceptable conduct of a cadet may result in dismissal or other disciplinary action on a case-by-case basis.

Alcohol

The VMI post is Commonwealth of Virginia property and subject to its laws concerning consumption of alcohol and illegal drugs. Consumption of alcohol on post by cadets, regardless of age, is strictly prohibited. There are severe penalties for all cadets who violate VMI's policy

regarding alcohol. All visitors to post should be aware of VMI's rules regarding alcohol and illegal drugs and that they must absolutely refrain from providing alcohol or illegal drugs to cadets anywhere, to include "tailgate" parties. The Institute closely monitors the Parade Ground and all on-post activities.

Civility

VMI expects every cadet to be committed to respectful living, while treating everyone with dignity and fairness and encouraging others to do the same. In that light, cadets must understand the impact of their behavior on others and strive to uphold the values outlined in the Code of a Cadet.

Dating Among Cadets

Dating within the Corps is acceptable among the three upper classes as long as it is in accordance with policy. Typical cadet friendships based on shared backgrounds, academic or extracurricular interests, or organizational associations do not constitute dating. Cadets are not allowed to date within their own chain of command. New cadets may not date another member of the Corps during their entire first year at VMI.

Dangerous and Destructive Behavior

VMI is committed to the well-being and safety of cadets and the VMI family as a whole, as well as to the integrity of its learning environment. A cadet who presents a serious danger to self or others, or who substantially disrupts the learning environment on post, may be required to engage in a psychiatric evaluation followed by treatment on post if possible, and if not, while at home on a medical furlough.

Drug Testing Program, Controlled Substances, and Drug Paraphernalia

www.vmi.edu/GO53

VMI General Order 53 is the Policy on Prohibiting Controlled Substances and Drug Paraphernalia. VMI does not tolerate the possession, solicitation, distribution, sale, or use of controlled substances, and/or of drug paraphernalia. VMI prohibits all cadets at any time or place, whether on- or off-post, from possessing or using any controlled substances or other drug paraphernalia as defined in sections 18.2-250 (included in schedule I through VI of the Drug Control Act, Chapter 34 (§ 54.1-3400)) and 18.2-265.1 of the Code of Virginia, unless authorized by legal prescription for such substance or otherwise specifically permitted by law. Any cadet knowingly and willfully possessing or using such a substance or item in violation of this policy will be dismissed from the Institute. However, if the possession or use is not knowing and willful, the cadet will be subject to a penalty up to and including dismissal from the Institute.

VMI may conduct unannounced random drug tests of members of the Corps of Cadets for the presence of illegal drugs and other controlled substances periodically during the academic year. All matriculating at VMI do so with the understanding that they are subject to requirements of VMI's random drug

testing policy. In addition, the commandant may direct members of the Corps of Cadets to be tested when a reasonable suspicion of drug use exists. Refusal to provide a specimen for testing upon request in accordance with the provisions of VMI policy may be treated as the equivalent of a positive test and turned it over to the commandant for appropriate disciplinary action. A positive finding of a prohibited substance's presence shall be treated as confirmation of possession and use of the prohibited substance in violation of VMI policy and will result in dismissal.

General Order 16 Discrimination, Harassment, Sexual Misconduct, Retaliation Policy

www.vmi.edu/GO16

Virginia Military Institute is committed to providing an environment that emphasizes the dignity and worth of every member of its community and that is free from harassment and discrimination based on any protected status, against otherwise qualified persons with disabilities, or based on any other status protected by law. In pursuit of this goal, any question of impermissible discrimination on these bases will be addressed with efficiency and energy and in accordance with General Order 16, which includes VMI's Discrimination Grievance Procedures (Appendix A of General Order 16). Retaliation against those who have alleged violations of this policy, those who have filed complaints or reports under this policy, and those who have testified or otherwise participated in enforcement of this policy will be addressed in a separate General Order.

Sexual harassment is a form of discrimination based on sex. It is defined as unwelcome sexual advances, requests for sexual favors, or other conduct of

a sexual nature including: verbal (e.g., specific demands for sexual favors, sexual innuendos, sexually suggestive comments, jokes of a sexual nature, sexual propositions, or sexual threats); non-verbal (e.g., sexually suggestive emails, other writings, articles or documents, objects or pictures, graphic commentaries, suggestive or insulting sounds or gestures, leering, whistling, or physical (e.g., touching, pinching, brushing the body, any unwelcome or coerced sexual activity, including sexual assault)). Sexual harassment, including sexual assault, can involve persons of the same or different sexes. Sexual harassment may also include sex-based harassment directed toward stereotypical notions of what is female/feminine versus male/masculine or a failure to conform to those gender stereotypes.

ID Card Proper Use and Accountability

- » This ID should be carried at all times. Report lost cards to Auxiliary Services. **Replacement charge is \$25.00**
- » Lending this card to anyone or failure to present it when requested is a violation of Institute regulations and subjects holder to disciplinary action.
- » This card must be surrendered to the commandant's office upon withdrawal, suspension, or dismissal from the Institute.

Inclusive Excellence Training

VMI is dedicated to the highest standards of leadership and personal development. It is imperative that cadets are equipped with the competencies that will allow them to be successful in any environment they enter. As a member of a global and diverse society, effectively navigating the varying and sometimes polarizing beliefs

we encounter is an essential leadership skill. In support of this development, VMI uses annual Inclusive Excellence training to foster conversations and stimulate discussion about complex social issues.

Inclusive Excellence is a framework developed by the Association of American Colleges & Universities (AAC&U) as a guide when incorporating diversity, equity, and educational quality. Inclusive Excellence features four tenets:

1. Achieving educational attainment in an inclusive, accepting setting.
2. Learning the skills, information, and mindsets cadets need to impact a diverse society.
3. Building a climate in classrooms and on post that supports all cadets.
4. Fostering learning opportunities that accept diversity is a benefit to problem-solving.

Cadet Inclusive Excellence training takes place on Friday mornings at 0800. Cadet facilitators lead their peers through different exercises that allow a forum for open dialogue and mutual understanding.

Bystander Intervention Training

VMI adopted the "Step UP! Bystander Intervention program." As new cadets, you will receive training in a small group setting to maximize your understanding of the program and the need to be proactive in helping others.

The goals of Step UP! are to:

- » Raise awareness of helping behaviors
- » Increase motivation to help
- » Develop skills and confidence when responding to problems or concerns
- » Ensure the safety and well-being of self and others

Most incidents on college campuses involve bystanders. Step UP! training provides a framework explaining the bystander effect, reviews relevant research and teaches skills for intervening

successfully using the 5 Decision Making Steps, and the S.E.E. Model (Safe; Early; Effective). A survey at three universities (The University of Arizona, University of California, Riverside and University of Virginia), revealed that students are encountering multiple situations where bystander intervention would be appropriate including, among other things, alcohol abuse, hazing, eating disorders, sexual assault, and discrimination. Almost 90% stated a problem could have been avoided with intervention and up to 85% of the student-athletes indicated they would like to learn skills to intervene. The bottom line is that many, if not most, unfortunate results are **preventable**.

Hazing

The Rat Line and cadet life are difficult, but the conduct of cadre is absolutely professional, and hazing is prohibited under Virginia law. Rats cannot choose to be hazed. Section 18.2-56 of the Virginia Code states: "Hazing is unlawful; civil and criminal liability; duty of school, etc., officials" is as follows: "It shall be unlawful to haze, or otherwise mistreat so as to cause bodily injury, any student at any school, college, or university. Any person found guilty thereof shall be guilty of a Class 1 misdemeanor. Any

person receiving bodily injury by hazing or mistreatment shall have a right to sue, civilly, the person or persons guilty thereof, whether adults or infants. The president or other presiding official of any school, college, or university, receiving appropriations from the State treasury shall, upon satisfactory proof of the guilt of any student hazing or mistreating another student, sanction and discipline such student in accordance with the institution's policies and procedures. The institution's policies and procedures shall provide for expulsions or other appropriate discipline based on the facts and circumstances of each case. The president or other presiding official of any school, college or university receiving appropriations from the state treasury shall report hazing which causes bodily injury to the attorney for the Commonwealth of the county or city in which such school, college or university is, who shall take such action as he deems appropriate."

Marriage and Parenthood

All VMI cadets must live in barracks and participate in a demanding and rigorous military program that does not permit attention to the duties implied by marriage or parenthood. Pursuant to the policy adopted by the Board of Visitors, any

cadet who marries or becomes a parent is expected to resign from the Corps. Absent voluntary resignation, should the Institute, in its reasonable judgment, conclude that a cadet is married or the parent of a child, such a cadet shall be separated from the Corps, for failure of eligibility, at the end of the semester in which the information is received and investigated. For the purpose of the policy, the responsibilities of parenthood are deemed to begin upon a cadet's learning that a child has been conceived as a result of his or her conduct. All cadets shall, upon matriculation and return each fall, sign a statement confirming their knowledge of this policy.

Penalties

Penalties that may be assigned for violations are demerits, confinement, penalty tours, and suspension or dismissal from the Institute. In addition, cadets may be declared ineligible for privileges or be placed on conduct probation. Appeals for reconsideration of a penalty assigned as a result of a special report must be submitted in writing to the commandant within one week of the special report's date. Appeals of disciplinary dismissals may be heard only in the most unusual of circumstances. The president of the United States and the governor of Virginia may suspend confinement and penalty tours through

the granting of amnesty to the entire Corps. Amnesty does not affect demerits or any probationary status, i.e., conduct or academic probation.

Punitive Restrictions

Restrictions placed on a cadet affect their status by redefining limits and negating privileges. Cadets given restrictions will be fully aware of the limits of their restrictions. Ignorance is not an acceptable explanation for breach of restriction. Restrictions include arrest, room confinement, barracks confinement, conduct probation, and physical training probation.

The Blue Book

The Blue Book outlines the regulations governing the Corps of Cadets and provides broad guidelines for cadet standards and conduct. Cadets adhere to the provisions of the Blue Book at all times including during furloughs (including summers) and while on and off post. VMI cadets are subject to this regulation from the time they sign the Matriculation Book and become a cadet until relieved of duty at graduation. Violations of the Blue Book that occur, for example, during the summer furlough and off post, may result in action being taken for misconduct.

Support Services and Information

Barber Shop

www.vmi.edu/auxservices

Each rat receives a “rat haircut” during Matriculation Week at the Institute’s own barber shop, located in the concourse of New Barracks. New cadets are required to get a haircut every other week during the Rat Line. New cadets should not get a regulation haircut before matriculating. They should arrive with a natural hair color, and remove any braids or twists. There will be no time on Matriculation Day to remove extensions, weaves, or braids properly. The quartermaster charge covers the cost of all haircuts.

Campus Security

www.vmi.edu/police

540-463-9177

The Jeanne Clery Act requires all institutions of higher education to publicly disclose three years of campus crime statistics and basic security policies. In addition, federal regulations require disclosure of graduation rates for each institution. VMI has chosen to include its sexual harassment and sexual assault policies with this information.

The personal safety of cadets and the security of the community are of vital concern to Virginia Military Institute. A copy of the Institute’s annual security report is available upon request. This report includes statistics for the most recent three-year period concerning reported crimes that occurred on post, in certain off-post buildings, on property owned or controlled by VMI, and on the public property within or immediately adjacent to and accessible from post. The report also includes information regarding the law enforcement authority of the post police and policies concerning campus

security, such as crime prevention, alcohol and drug use, sexual assault, and reporting of any crimes that may occur on post.

Commandant’s Office

540-464-7962

Overseeing cadet life in barracks is the responsibility of the commandant and his staff. There are at least two experienced individuals on duty within the barracks 24 hours per day. Their most important responsibility is to ensure the health and well-being of cadets. The officer in charge can be contacted at 540-464-7962. In addition, each cadet is a member of a company, and each company is supervised by a member of the commandant’s staff. Cadets and parents with questions or concerns can also contact the appropriate tactical officer for assistance.

Emergency Management

www.vmi.edu/emergencymanagement

VMI is committed to informing the community of an emergency, disaster or potential disaster immediately upon determining the nature of the emergency. It is important for you to take an active role in staying informed.

VMI takes a proactive approach to effective communication through the VMI Mass Notification system, which allows VMI to instantly send emergency information to users via text messaging, email, and a phone call to its community. This is a no-cost service. Cadets, faculty, and staff have the opportunity to participate in or opt-out of this program during the registration process. VMI encourages everyone in the VMI community to sign up for this service to receive immediate alerts when threatening situations arise such as natural disasters, fires, bomb threats, or acts of violence.

Health Services

Center for Cadet Counseling

www.vmi.edu/counseling
540-464-7667

The Center for Cadet Counseling (CCC) offers services that help develop awareness, knowledge and skills necessary for cadets to make healthy choices, meet future challenges and lead meaningful lives. Services include educational programming, individual assessment, and counseling, psychiatric services, crisis intervention and consultation. Counseling services are confidential and conducted by licensed mental health professionals.

Post Infirmary

www.vmi.edu/infirmiry
540-464-7218

The VMI Infirmary is located on post behind Crozet Hall in the Cadet Health Center and offers 24-hour nursing care during the school year. The infirmary staffs a physician and nurse practitioner who offer full primary care services, including gynecological services, in a confidential setting while you are at VMI. Most of the services in the Infirmary are free to include a limited pharmacy on-site with free or exceptionally low-cost medications for cadets. The physician and nurse practitioner are available Monday–Friday from 0700–1600 for appointments and urgent visits and Saturday morning for sick call (0700). Emergencies are referred to the local hospital, Carilion Rockbridge Community Hospital, which serves the Lexington-Rockbridge County area. Medical conditions that must be treated off-post are treated at the cadet's expense. Cadets are permitted to keep personal prescriptions and over-the-counter medications in their rooms.

While all cadets are enrolled in the Cadet Accident Insurance, this only covers

accidents resulting from VMI sanctioned activities. It is strongly recommended that any cadet not covered by their parents' health insurance purchase a personal health insurance policy.

If you have specific questions, please email: infirmiry@vmi.edu.

Women's Health Note

During Matriculation Week, all 4th stoop bathrooms will be stocked with pads and tampons for rats if needed. All EMTs will be carrying pads and tampons for rats if needed while not in barracks. If you get your period, let an EMT know, so that you have additional support. A woman having her period will be given additional time for showers and hygiene if an EMT is aware.

Some women have irregular periods or miss their periods completely during times of high stress or intense exercise. Let the Infirmary know if you miss more than three periods in row.

Information Technology Department

www.vmi.edu/it

The Information Technology Department serves as the management and support group for all technological services offered at VMI. From maintenance to training courses, the continually modernizing program provides many courses aimed at promoting learning and assisting faculty and staff. The IT Department's home page contains links to many helpful resources.

Wireless Network Connectivity

www.vmi.edu/wireless

VMI provides wireless network access in classrooms and general access areas around post, giving cadets ample opportunity to use laptops equipped with wireless network adapters in the completion of academic obligations. There are two IT help desks located at

VMI. One help desk is located in room 315 of Nichols Engineering building, and the other help desk is located in the barracks study room. Office hours are Monday–Friday, 0700–1200 and 1300–1600. Instructions for gaining access to the wireless network can all be found on the IT Department’s homepage.

Inspector General and Title IX

www.vmi.edu/TitleIX

VMI understands the responsibility of taking appropriate action toward eliminating sexual misconduct of any kind and is dedicated to promoting and fostering a safe environment for all cadets, staff, and faculty. This means an environment that emphasizes the dignity and worth of every member of its community and that is free from harassment and discrimination based on race, sex, color, national origin, religion, age, veteran status, sexual orientation, pregnancy, genetic information, against otherwise qualified persons with disabilities, or based on any other status protected by law. Report harassment, discrimination, or sexual misconduct at www.vmi.edu/reportnow. For additional information on reporting, resources available to victims, or the role of the IG/ Title IX Coordinator, please visit www.vmi.edu/TitleIX.

Lejeune Hall

The food Court (also called “The X” or “PX”) is located in Lejeune Hall and is adjacent to Third Barracks. It is open seven days a week, from 0830–2300, Monday–Saturday; 1100–2300 on Sunday. An assortment of food, from salads to pizza, is available. Sales are for cash, check, or major credit card. Orders can also be taken for special event items (birthday cakes, exam packs, etc.).

SNAP Accounts

www.dss.virginia.gov/benefit/snap.cgi

Cadets may be eligible for the Supplemental Nutrition Assistance Program (SNAP), which allows individuals use a SNAP account to buy eligible food items from authorized retailers. More information, including the application process, can be found at www.dss.virginia.gov/benefit/snap.cgi.

Military Store

www.vmi.edu/auxservices

540-464-7303

The Military Store, located in Richardson Hall, stocks regulation uniform items. Additional and replacement uniform items may be purchased, but must be paid for at the time of purchase by cash, check, or credit card. Hours: Monday–Friday from 0730–1100 and 1200–1530.

Museum System

VMI operates three historic sites: the VMI Museum, the Jackson House Museum, and the Virginia Museum of the Civil War and New Market Battlefield State Historical Park. Founded in 1845, the VMI Museum is the oldest museum in Virginia. It preserves and exhibits the history of the Cadet Corps and is located in the lower two levels of Memorial Hall. The Jackson House Museum is an historic house museum located at 8 Washington Street in Lexington that interprets Jackson’s domestic life of the late 1850s. Purchased by then professor Maj. Thomas Jackson in 1858, Jackson owned the home until his death in 1863. The New Market Battlefield State Historical Park is a 300-acre battlefield park commemorating the Battle of New Market and participation by the VMI Cadet Corps on 15 May 1864. The Virginia Museum of the Civil War is the Commonwealth’s only state-owned Civil War museum and is located on the grounds

of the park, just off Interstate 81 at exit 264. The VMI Museum and the VMCW are open daily, 0900–1700; the Jackson House is closed on Sunday. Parents and current cadets receive free admission at all three sites.

Preston Library

www.vmi.edu/library

540-464-7129

The mission of Preston Library is to provide library materials and services of the highest quality; to teach skills needed for academic inquiry and lifelong learning; to support faculty and undergraduate research; to provide access to and promote the use of Institute historical materials; and to offer library services to the community at large.

A significant renovation of Preston Library was recently completed. The library's collections include books and journals in print and electronic formats, non-print items such as DVDs, and databases covering a wide range of academic fields. Preston Library is also a selective depository of U.S. government publications. Patrons interested in doing primary source research involving rare books and photographs, along with Institute historical records and growing digital archives, can find those materials in the VMI Archives in Preston Library.

Cadets may check out books, videos, and other materials for their research and study needs and can access materials on course reserves. Preston Library also offers cadets free interlibrary loan service, which provides access to materials not owned by our library. Personalized research consultations are available by appointment or on a drop-in basis.

Workstations with access to the internet, the library's online catalog, discovery tools, databases, digital resources, Microsoft Office and local network drives

are available in the library and the open computer lab. Wireless network access and FindMe printing are available throughout the building. Study and learning spaces include study carrels, group study rooms, large study tables, whiteboards, and gallery areas on each floor with comfortable seating.

More information about Preston Library and its resources, services, staff, and facilities is available at **www.vmi.edu/library**.

Religious Support

540-464-7390

VMI has two chaplains to help ensure and facilitate religious support: Col. John P. Casper '04, chaplain, and Capt. Eli Facemire '19, associate chaplain.

The primary mission of the Office of the Chaplain is to support and accommodate the religious convictions of all cadets regardless of their faith. Many cadets participate in faith communities in and around the Lexington area, and the Office of the Chaplain serves as point of contact to facilitate these relationships. Part of the affiliation with local faith communities includes "adopt-a-rat" programs, which are organized through the individual churches and fellowships. An on-post non-denominational chapel service is held each Sunday evening during the academic year, and various faith-based fellowships and meetings take place each week. The Office of the Chaplain also provides opportunities for mission trips, conferences, and retreats for various faith groups throughout the course of the academic year. Above all, the Office of the Chaplain works to accommodate the religious needs of all cadets and provides pastoral care and mentoring, regardless of religious affiliation.

Please contact Mrs. Mary Cannon, office administrator, with any questions.

Telephones

New cadets are not authorized to have a cell phone in their possession. They will often keep their cell phones in their dykes' rooms until the end of the Rat Line. Since rats are difficult to directly contact, parents should contact their son or daughter's dyke if they want to reach their cadet quickly. In the event of a true emergency, parents should call the commandant's office during normal duty hours at 540-464-7313 or the officer in charge of barracks at 540-464-7293.

Uniform Laundry, Cleaning, Pressing, Alterations and Repairs

www.vmi.edu/auxservices

Laundry service is provided. Cadets drop off their laundry to be cleaned and pressed at the VMI laundry. Each cadet is assigned a laundry number on Matriculation Day. New cadets will bring permanent laundry markers to mark their laundry number on all of the non-issued clothing. Uniforms are cleaned and pressed in the VMI Laundry Department. The cost of laundering, cleaning and pressing of regulation uniform items is included in the quartermaster charge. The VMI Tailor Shop alters and repairs uniforms. There is no charge for normal uniform alterations and repairs due to fair wear and tear.

VMI Bookstore

www.bkstr.com/vmistore

540-464-7637

The VMI Bookstore, located in Lejeune Hall, sells textbooks, authorized supplies, and toiletry items. For the convenience of cadets, the bookstore also carries stationary, greeting cards, post cards, imprinted sportswear, grooming supplies, and souvenirs. New cadets will make several purchases in the bookstore during Matriculation Week. These purchases must be paid for at the time of sale by cash,

check, or major credit card. Cadets may order books online and pick them up at a later time.

Rat Mass 25+3

Congratulations on your acceptance and welcome to the hardest military college in the nation. You have made a tough decision that requires constant diligence for the next four years, through this you will learn lessons that will impact the rest of your life. Here you will face adversity that is meant to help you build and grow as a person but especially as a leader, for all your future endeavors.

One of the primary challenges you will face is balancing your academic load with your time constraints. There is a vast difference between high school academics and college academics, but here at VMI those challenges are more significant due to the pressure to perform as a student and a contributing member of the Institute. Through this experience you will learn to bond and rely on the help of your brother rats. With perseverance, you will build an inner confidence that will push you through those personal barriers faced in academics and other facets of VMI.

Your academic success is just that, yours. This is a personal venture you must have the fortitude to go through and

accomplish. However, my S2 staff and I are here to help and motivate you through your academic career here at the Institute. Our job is to ensure you have access and understanding of all the academic resources at your disposal which are vital to your academic excellence. Your S2 company representative, the Miller Academic Center, and your teachers are here to guide and support you through your academic transition. We understand the obstacles you are about to undertake and are focused on ensuring you achieve your academic goals through the tests of hardship you will encounter.

All I ask is that you face each opportunity head-on and embrace every chance you are given to become educated and honorable men and women that will develop into excellent leaders of character; of which you will carry on the legacy of the Virginia Military Institute.

Respectfully,
 Elena C. Gutierrez '25
 S2 Captain 2024-25

Academics and Related Support

S2 Staff Description

The S2 staff serves as academic advisors to the Corps of Cadets, and representatives of the Corps to the VMI faculty. Each company is assigned an S2 academic representative who monitors the company's academic performance and helps struggling cadets in need of academic help. The S2 staff is particularly focused in working with rats and ensuring that they have a successful academic transition from high school to college academics. Additionally, the S2 staff serves as scribes for cadet meetings and writes permits relating to academics.

Recommendations for Incoming Rats

- » New cadets need to be aware that courses in colleges are much more difficult than courses in high school, especially here at VMI, where new cadets need to learn how to manage their time between the Rat Line and academics.
- » It is better to over-prepare than under-prepare.
- » Be ready to create and maintain good relationships with your professors. Introducing yourself to your professors at the beginning of the semester will be beneficial to your success throughout the course.
- » Use your allotted free time wisely. Triage assignments according to their length and importance. For example, do a worksheet during a free hour, but use the uninterrupted Dean's evening hours to work on a long paper.
- » Seek help as soon as you feel you're struggling—even if only a little bit. It's better to get help as soon as something is unclear so that you don't fall behind even more.

- » Place your academics first. It's easy to get so caught up in the Rat Line that you put your homework off. You don't get kicked out for unshined shoes, but you can easily get kicked out for bad grades.
- » Familiarize yourself with the Academic Handbook to find out more about academic policies, departmental information, program requirements, and opportunities by reading through the course catalog on the website **www.vmi.edu/majors**.
- » Start off strong. At VMI, you are starting fresh and developing/maintaining a strong work ethic will be important for succeeding later in life.
- » New cadets need to be aware that they have a lot of academic resources they can use, and we are here to help. (Writing Center, group study Sessions, Miller Academic Center, and especially the tutor system).

Academic Advising

Upon entry into VMI, each cadet is assigned an academic advisor who, unless the cadet subsequently changes academic major, will work with the cadet until graduation. During the first year there is extensive contact between the advisor and cadet in order to facilitate the cadet's transition into the VMI culture, assist the cadet in mastering the academic policies and regulations, and assist the cadet in coordinating the demands of a multi-faceted academic and co-curricular experience.

The academic advising program is a pivotal element of the broader program of academic support services provided by Virginia Military Institute and is a major force in ensuring a successful progression

through the VMI program. Cadets are encouraged to take full advantage of the Institute's commitment to the academic advising process.

Financial Aid

www.vmi.edu/financialaid

The mission of the Office of Financial Aid is to provide financial assistance and counseling to cadets and prospective cadets, so as to reduce the financial barriers that could hinder enrollment, retention, and success at VMI. The office strives to provide responsible and courteous service and functions in compliance with all federal, state, and VMI policies.

In order to be considered for need-based financial aid (grants, scholarships, loans) students are required to complete the FAFSA (Free Application for Federal Student Aid, #003753).

Deadline: March 1 of each year for new and returning cadets. Failure to submit materials by the deadline may affect VMI's ability to provide financial assistance.

The completion of the FAFSA determines the level of need-based aid for which a cadet qualifies. In addition to aid awarded by VMI (need-based grants, merit scholarships, and ROTC scholarships), assistance may also be received through Federal Direct Loans and Parent PLUS Loans. All aid received by a VMI cadet, regardless of the source, will be processed through the Office of Financial Aid.

Special Academic Programs

Office of Disabilities Services

www.vmi.edu/ds

The Office of Disabilities Services (ODS) is committed to meeting the ethical and legal responsibilities to ensure equitable educational access for cadets with documented disabilities. We support cadets' development of academic, life and leadership skills in a manner that fosters self-awareness, self-determination, and self-advocacy. ODS also serves as a resource to the VMI community by promoting awareness and understanding of disability issues in higher education.

Cadets with documented disabilities are encouraged to schedule a meeting with the director of the Miller Academic Center as early as possible to allow adequate time for review of documentation, allow for a thorough assessment of academic needs, and familiarize new cadets with administrative procedures.

Institute Honors Program

www.vmi.edu/honors

This program exists to enrich the academic experience of VMI's outstanding cadets through activities that encourage an affinity for intellectual inquiry and develop the capacity for sophisticated engagement of issues and problems, whether ethical, civic, or professional. In all of its elements, the program stresses peer leadership, strong oral and written communication skills, and the highest standards of academic integrity and excellence. The Institute Honors Program recognizes a broader range of achievement than honors earned in any particular major. Attainment of Institute Honors is viewed as the highest academic achievement at VMI.

Office of Global Education

www.vmi.edu/oge

Broadening global perspectives and increasing cultural awareness is a critical component of VMI's mission of educating citizen-soldiers. The Office of Global Education (Global Ed) enhances the academic and cultural lives of cadets in three primary ways. First, Global Ed offers a portfolio of opportunities designed to prepare young leaders for successful service in an increasingly global environment through study, research, and internships abroad. VMI's study abroad opportunities include programs at both civilian and military institutions around the globe. VMI encourages cadets to maximize opportunities to develop

their cultural competencies and enhance their academic programs. Internal and external scholarship opportunities exist to support study abroad—especially for the study of critical languages. Relatedly, the team assists with passport and visa applications. Second, Global Ed supports all international students through the immigration process, cultural adaptation to VMI, and in maintaining their immigration status within the U.S. This includes support for international students pursuing a degree at VMI as well as exchange cadets. International cadets are an important part of the Corps given the different perspectives they bring to the Institute. Third, Global Ed advises for several competitive international scholarships, fellowships, and awards. Some of these awards are for cadets' tenures at VMI (e.g., Boren), while others offer opportunities post-VMI (e.g., Fulbright). Several of these awards offer fully funded international experiences designed to develop cadets' deep understandings of culture and to prepare them for careers in the U.S. federal government.

Open Math Lab (OML)

www.vmi.edu/oml

The Open Mathematics Laboratory (OML) is designed to allow cadets to freely seek and find as much help as needed for any of VMI's mathematics core curriculum courses. The model for the lab is one wherein tutors are prepared to help cadets in an open and shared setting. Walk-ins are welcomed. OML tutors are trained, knowledgeable, and current on the specific techniques and problems taught by VMI mathematics teaching faculty. The OML is meant to complement and support, but not replace, course activities within the VMI mathematics curriculum.

Miller Academic Center Academic Success Programs

www.vmi.edu/mac

The Miller Academic Center (MAC) helps cadets transition to college academics and college life. Group Study Sessions (GSS) are available for a number of core courses including science, history, and foreign languages. The GSS meetings are a weekly opportunity for new cadets to discuss coursework and strategies with successful upper-class cadets. Workshops are offered throughout the year that focus on transitioning to life at VMI, note-taking strategies, time management, and other academic skills. Academic Saturdays provide new cadets with valuable information on effective study skills and strategies to optimize their time. Staff will also meet with individual cadets to discuss concerns or questions about academic success at VMI. New cadets are encouraged to learn more about the MAC programs and services designed with them in mind by visiting www.vmi.edu/mac.

Writing Center

www.vmi.edu/writingcenter

The Writing Center complements and extends the writing instruction cadets receive in the classroom by providing help with a full range of activities to improve their writing, at any level and in any discipline. Professional tutors work with cadets in one-on-one conferences on every aspect of the writing process, from planning a paper to polishing a final draft. To sign up for Writing Center appointments visit www.vmi.mywconline.com. For further information about the Institute Writing Program, visit www.vmi.edu/iwp.

Transfer Credit

www.vmi.edu/transfercredit

VMI has stringent rules in regards to transfer credit approval. It should be known that VMI requires cadets to have at least six semesters in residence at VMI to graduate, with a 75% rule requiring that at least 75% of all credits a cadet graduates with were earned at VMI. In regard to AP credit, VMI requires a 3 or better to transfer in college credit. College level transfer credit requires a C or better in order for the credit to transfer.

VMI Center for Undergraduate Research

www.vmi.edu/vcur

The VMI Center for Undergraduate Research (VCUR) is both a program and a centralized office with the mission of promoting and facilitating faculty-mentored undergraduate research at VMI. VCUR operates on the premise that some of the most enduringly meaningful academic experiences of college students come through opportunities to be mentored one-on-one by faculty outside the classroom, while also believing in the merit of research and other inquiry-based experiences within a more traditional classroom setting. VCUR simultaneously nurtures existing mentoring efforts and coordinates new institutional support for joint investigative projects by faculty members and cadets. Programs include an annual Undergraduate Research Symposium held on post; a Summer Undergraduate Research Institute; cadet travel grants to present at professional meetings or conduct research in the field; and Wetmore Fund for supplies for cadet academic year research. For more information, contact the Center for Undergraduate Research, 615 Preston Library, or visit VCUR's website.

ROTC

www.vmi.edu/rotc

In order to graduate from VMI, every cadet is required to take eight semesters of ROTC classes and successfully pass each semester. Each ROTC unit prepares cadets to receive a commission in their respective branch, whether a cadet chooses to commission or not. Throughout the year, there are two scheduled training exercises during which it is likely that cadets will leave post to train in the field for a weekend. These weekend Field Training Exercises (FTXs) provide experience specific to the service the cadet has selected. If a cadet is interested in earning a commission, scholarship and non-scholarship commissioning programs are available in each of the four service branches.

New cadets are required to select a ROTC branch during the summer scheduling process. In attempting to determine which ROTC branch they should enroll, new cadets can contact representatives of each branch through their departmental emails. Each ROTC department will be available at matriculation to answer additional questions. In order to enroll in the Air Force/Space Force or Naval (Navy or Marines) ROTC programs, new cadets must

express a desire to commission and meet individual service requirements. Cadets who are not anticipating commissioning will be assigned to Army ROTC. VMI also has a Coast Guard Auxiliary University Program that allows cadets interested in seeking a Coast Guard commission to serve in the Coast Guard Auxiliary during their time at VMI. Participation in the Coast Guard Auxiliary University Program does not satisfy the ROTC requirements for graduation.

The Army National Guard and United States Army Reserve Simultaneous Membership Programs are avenues that a cadet may take for additional income and possible tuition assistance. While these are great programs, prospective cadets are strongly encouraged to contact the Army ROTC Department (USAR or ARNG Liaison Officers) before enlisting, as Basic Training and School dates could prevent the cadet from completing a semester, which could result in disenrollment from VMI. There could also be some conflict when applying for an ROTC scholarship. For more information contact Mr. John Doran (Army) 540-464-7680, armyrotc@vmi.edu; Ms. Lori Ballard (Navy) 540-464-7982, nrotc@vmi.edu; Ms. Diane Fishburn (Air Force) 540-464-5354, afrotc@vmi.edu.

Glossary of Common VMI Terms

- Military Duty:** The part of the day devoted to military duties and/or the intramural athletic program; follows academic duty and precedes supper.

New Market: A town located in southern Shenandoah County, Virginia where the May 15, 1864 Battle of New Market was fought. It is approximately 80 miles north of Lexington. This battle was fought through the town and on the rolling hills surrounding it. It is also known for the role of the VMI Corps of Cadets in the action with 257 engaged, 47 wounded and 10 killed.

North Post: Location of the military leadership field training grounds

OC: Officer-in-Charge, an Institute official; represents the Commandant and monitors guard team performance after hours.

OD/OG: Officer of the Day/Officer of the Guard; the two ranking members of the guard team (usually 1st Class cadets).

OGA: Officer of the Guard Association (1st Class privates); helps create and maintain an environment that facilitates communications, harmony, and discipline in the Corps.

Old Barracks Main Arch: Main entrance to Old Barracks; contains entrance to Commandant's office.

Optional BRC: Authorization to miss Breakfast Roll Call.

Orderly: A cadet from each room who is responsible for the cleanliness of the room. Will receive all bones for an out of order room.

Parade Ground: Open field in front of barracks used for parades, physical training, and tailgates during football season.

Parapet: Wall along the south side of barracks overlooking Memorial Gardens and Cocke Hall; has a famous inscription which rats must memorize.

Penalty Tours: A punishment consisting of an hour's worth of supervised marching while carrying a rifle.

Permits: Typed documents approved by the appropriate authority to address

situations needing special attention and/or to grant approval for exceptions to policies. Permits must be submitted no later than four days prior to the effective date. The Commandant approves certain Standing Permits at the start of each academic year for special purposes such as dine with family. Cadets must acquire the appropriate signatures prior to submitting permits. This includes professor signatures for class absences, coach approval for intercollegiate absences, the doctor's signature for urgent medical appointments or furloughs, advisor signatures for club activities, and Career Services approval for interviews.

PTT: Physical Training Time with a cadet's ROTC affiliation or, if a non-commissioning second or 1st Class cadet, with their VMI company.

PX: Post Exchange; where cadets get food and can eat with families

QMD: Quartermaster Department; issues uniforms.

Ranker: Any cadet who holds an official position in the regimental system.

Rat: Term applied to all new cadets during their first year at VMI; precedes being a 4th Class cadet, which comes after Breakout from the Rat Line.

Rat Bible: A small book of facts about VMI's history and certain information specific to the current year; must be in a rat's possession at all times; rats are responsible to know and recite the contents of this book.

Rat Challenge: A physical program that includes obstacle courses; promotes teamwork and leadership; rats participate during the fall semester.

Rat Line: The whole experience of being a rat; also the specific path in barracks which rats must use in going from one place to another.

Ring Figure: The weekend events at which 2nd Class cadets receive their class rings.

Run the Block: To leave post against regulations, usually at night—results in a major bone.

Section Marcher: A cadet official in charge of accountability (attendance) for a particular academic class and responsible for presenting the class to the professor.

Sent up: Recommended to the GC (see definition) as a disciplinary measure.

Sentinels: Rats or 4th Class cadets assigned to a daily rotating guard position around barracks and charged with upholding the regulations of the Institute.

Shako: Tall hat bearing either a pom-pon or feather plume (officers only) worn for full-dress parades.

Special Orders: Any additional orders posted for specific members of the Guard Team.

The Spirit: VMI's "fight song;" also doubles as the Alma Mater.

SRC: Supper Roll Call; Supper formation with the entire Corps.

Visitor Slip: Colored note sent to a cadet's room by the guard team notifying the cadet of the presence of a visitor, a phone message, etc.

Stoop: A floor of barracks; rats live on the fourth stoop.

Strain: An exaggerated position of attention; what rats are supposed to do when they walk the Rat Line.

Superintendent: The president of VMI, Maj. Gen. Cedric T. Wins '85

Supernume: Supernumerary; an additional 3rd Class cadet attached to the Guard Team who acts as a messenger.

Sweat Party: Fifteen minute physical fitness workout reserved for rats.

Taps: This is the last bugle call at night blown as a signal that lights are to be put out.

Tailgate: To picnic out of the trunk of a car; usually on the Parade Ground preceding/following a football game.

Uncle Dykes: The 1st Class cadets who room with one's dyke.

VMI Museum: Preserving and interpreting the heritage of VMI and its alumni, the VMI Museum features galleries dedicated to the history of VMI, the Henry Stewart Antique Firearms Collection and VMI alumni service as citizens and soldiers. The oldest museum in the state of Virginia, it houses over 20,000 artifacts.

Woolies: Term for wool pants—part of the winter uniform

Work for Grade: Any work submitted to a professor for a grade is subject to the Honor System; it must be the cadet's own work; any help must be acknowledged in the Help Received Statement.

The Virginia Military Institute is committed to providing an environment that emphasizes the dignity and worth of every member of its community and that is free from harassment and discrimination based on race, sex, color, national origin, religion, age, veteran status, sexual orientation, pregnancy, genetic information, against otherwise qualified persons with disabilities, or based on any other status protected by law. In pursuit of this goal, any question of impermissible discrimination on these bases will be addressed with efficiency and energy and in accordance with VMI General Order 16. General Order 90 addresses complaints or reports of retaliation against those who have opposed practices prohibited by General Order 16, those who have filed complaints or reports of prohibited practices, and those who have testified or otherwise participated in enforcement of General Order 16. Questions regarding discrimination prohibited by Title IX of the Education Amendments of 1972, or other federal law, may be referred to the VMI Inspector General and Title IX Coordinator, 303 Letcher Avenue, VMI, Lexington, VA 24450, 540-464-7086. Any cadet or prospective cadet having questions about disability services for students should contact the Miller Academic Center, 206 Carroll Hall, Lexington, VA 24450, 540-464-7636. For employment-related disability services, contact the Americans with Disabilities Act Coordinator in the VMI Human Resources Office, Lexington, VA 24450, 540-464-7322.
