CADET CLEARANCE PROCEDURE POLICY

1. **Policy**: Cadets departing VMI, for any reason, must properly out-process before their status is officially changed. Cadets may depart from VMI due to voluntary resignation, medical reasons, or administrative punishment (suspension or dismissal). Failure to properly out-process may result in disciplinary and/or financial penalties, to include having one’s security deposit withheld.

2. **Departure Status**: A cadet’s departure is classified under five categories 1) voluntary resignation 2) medical departure 3) administrative/active duty leave 4) suspension 5) dismissal.

   **A. Voluntary Resignation**: A cadet may decide to resign from VMI due to personal reasons. Common reasons include desiring to change schools, 10 credit rule, and participation in a study abroad program.

   1) A cadet who resigns to avoid possible disciplinary suspension or dismissal will have his or her internal record annotated “Disciplinary Action Pending” which may impact the cadet’s ability to be readmitted to VMI. A cadet who resigns subsequent to being charged with an honor offense will in accordance with the VMI Honor Court Charter, be deemed to have admitted guilt and the cadet will be dismissed in the usual manner. Cadets will be counseled by an Institute official prior to departure.

   2) A cadet who resigns is not guaranteed readmission to VMI unless the reason for resignation is medical or is in the study abroad program (a cadet must meet the health and academic requirements for readmission).

   **B. Medical Departure**: A cadet may be placed on either medical leave or medical furlough by the Commandant, as advised by the Institute Physicians due to medical constraints that may impact that cadet’s health and performance. Based on the severity of the circumstances, these statuses may be voluntary or involuntary.

   1) **Medical Leave** is normally for a short, specified period of time in order for cadets to receive medical treatment or rehabilitation services off Post and out of the local area.

   2) **Medical Furlough** is for a longer duration and is to be used when a cadet’s illness or injury is such that the cadet is unable to perform the duties expected of a VMI cadet.

   3) See *General Order 61: Medical Leave and Medical Furlough Policy* for more information.
C. **Active Duty/Military Administrative Leave:** A cadet may be placed on either active duty leave for pre-deployment/deployment duty or administrative leave for military training if they receive official orders by the military. Cadets who fall under this category must provide proof of such orders and are guaranteed re-admission upon completion. The Registrar’s Office is the point of contact regarding this category.

D. **Suspension:** A cadet may be suspended for a variety of reasons to include both academic and disciplinary. Suspended cadets have the ability to reapply to the Readmission Committee by the established deadlines. The Readmission Committee may approve or disapprove the application to reapply. Listed below are cases in which a cadet may be suspended. Further information may be found in *General Order 17: Administrative Process for Cadet Suspensions and Dismissals.*

1) **Academic:** A cadet is academically suspended for failure to meet the required academic standards for the academic year (i.e., failure to register, meet required GPA, total credit hours passed, or yearly hours). The registrar’s office is the point of contact for Academic Suspensions.

2) **Interim:** A cadet may be temporarily suspended if such action is necessary to preserve the health or safety of members of the Institute community or Institute property or to resolve potential physical threats. Interim suspensions may be imposed by the Superintendent, in consultation with the Threat Assessment Team as appropriate.

3) **Disciplinary:** A cadet may be suspended for disciplinary reasons for actions both on and off Post. A suspension is a two semester absence – current semester plus one regular semester. A cadet must reapply to the Readmission Committee in the designated time frame noted in the cadet’s suspension letter.

E. **Dismissal:** A cadet may be dismissed for a variety of reasons to include both academic and disciplinary. Dismissed cadets have the ability to reapply to the Readmission Committee by the established deadlines. The Readmission Committee may approve or disapprove the application to reapply. Listed below are cases in which a cadet may be dismissed. Further information may be found in *General Order 17: Administrative Process for Cadet Suspensions and Dismissals.*

1) **Academic:** A cadet may be academically dismissed for a second academic suspension. If the cadet fails to meet the minimum academic standard prior to the start of the following fall semester, the cadet will be academically dismissed. The registrar’s office is the point of contact for Academic Dismissals.

2) **Disciplinary:** A cadet may be dismissed for disciplinary reasons for actions on and off Post to include a second alcohol offense, second drug offense, etc. Only the Superintendent may make the decision to dismiss a cadet. If dismissed, the cadet will be given information on how to appeal the dismissal.

3) **Medical:** A cadet may be medically dismissed if it is discovered that the cadet gave false, misleading, or inaccurate information in medical documents. If it is
discovered that the cadet intentionally gave this information, the Superintendent will determine further actions.

4) **Honor Court**: A cadet may be dismissed for an honor violation if found guilty of a violation of the honor code (“A cadet will not lie, cheat, steal, nor tolerate those who do”).

3. **Notification**: Once the cadet has received the clearance form and started the out-processing procedure, the Administrative Assistant for Accountability emails the name of the departing cadet to the appropriate departments. The infirmary sends the email regarding medical leave or furlough when the cadet leaves and returns to Post.

4. **Out-Processing Procedures**

5. **Out-Processing Procedures, Rats during Matriculation Week**
   A. For Rats during their first 9 days at VMI, the following additional steps must be taken once a desire to leave is expressed.
1) An EMT assigned to the Rat’s company and a member of cadet government gather information about the Rat’s status and act as escorts throughout the process. The EMT is responsible for the accountability of the Rat from the time he/she leaves the Company until the Rat is delivered to the control of the Cadet Counseling Center (CCC) or Post Hospital.

Once all of the necessary steps and documents have been completed, the Rat is escorted to the Commandant’s Administrative Assistant for Accountability by a cadet government member (GC/OGA/CEA) to begin the voluntary resignation process (Annex A and B). A cadet government member must accompany the out processing Rat at all times once a Rat departs the CCC for out processing.

C. After matriculation week, refer to paragraph 3 section b.

6. Summer Notifications – Cadet Clearance Procedure:
Cadets who have registered for the fall semester and decide that they will not be returning to VMI for the upcoming fall semester should out-process via the following notification procedures:

1) Notify the Administrative Assistant for Accountability in the Commandant’s Office (in writing or via email) of the intent to resign and not return to the VMI Corps of Cadets for the fall semester. (Phone: 540-464-7073)

- Registrar’s Office (540-464-7192). Drop classes and place into resignation/appropriate status
- Academic Adviser
- Coach (for all NCAA Scholarship Athletes)

Unless out-processing in person, it is in the cadets best interest to check with the following offices to assure that there are no outstanding obligations, books or equipment outstanding. Cadets will be responsible for any equipment which, was not returned at the time of departure.

- Athletic Equipment Department (540-464-7444). Check for outstanding equipment which is required for return

VMI Faculty and Staff: If you are contacted by a cadet over the summer who has decided that they will not be returning for the fall semester, please have him/her contact via email or call the Commandant’s Office to begin the out-processing/summer check out process (540-464-7073).

Publication of Special Orders (Summer Months): In an effort to appropriately track accountability and notify the post community of cadets who change their status over the summer, monthly summer orders will be published on 15-June, 15-July and 15-August reflecting any resignations, suspensions, readmits and changing incurred to date. A final order will be published after enrollment takes place with the name(s) of any cadet who fails to return to the VMI Corps of Cadets as expected who was not previously reflected on the summer orders.

7. Hours: Cadets wishing to out-process are encouraged to do so Monday-Friday between 0830 and 1530. In the event that a cadet is unable to meet this timeframe, the cadet should report to the Officer in Charge (Commandant’s Suite Room 139). Attempting to complete the Yellow Out-Processing Form (Annex B) outside of business hours will result in an incomplete form. The form is to be completed as best as possible and will then be treated as an out-processing “in absentia” once the out-processing cadet has left (see paragraph 4 section c).
8. **Special Orders**: The Administrative Assistant for Accountability collects the clearance paperwork and e-mails the Chief of Staff, QMD, and Registrar’s Office stating the effective date of departure. INTERVIEW SCHEDULE FLOWCHART

The following interview schedule has been developed to provide new cadets with the opportunity to make well-informed decisions about their enrollment at VMI and to safeguard the new cadet and the VMI community. As trained First Responders EMTs play a critical role in this process with new cadets expressing a desire to resign and new cadets expressing or exhibiting signs of psychological distress. EMTs will be solely responsible for escorting new cadets to the Cadet Counseling Office under any circumstances. **Any new cadet expressing suicidality, homocidality or acting in a disoriented manner are to be referred to directly to an EMT. If at any time a new cadet becomes violent, VMI Police are to be contacted immediately.**

3. EMT is contacted, responds, and gathers information to include the new cadet’s status and who has already talked with the new cadet.
4. EMT escorts new cadet to CCC and notifies CCC who talked to the new cadet in the field (CC and/or TAC).
5. CCC will keep the ROC informed of new cadet’s location when under the care of CCC.
6. **New cadet has initial interview with CCC.**
7. New cadet is interviewed by Institute Counselor, which may include a telephone call to a parent/guardian as deemed necessary.
